RE: MUR 5666

Dear Mr. Jordan:

I am writing on behalf of MZM Inc., the MZM Inc. PAC and the Treasurer of the MZM Inc. PAC (collectively "MZM") to seek an additional extension of time to respond to the third-party complaint that we recently received from the FEC. We received an initial 30-day extension of time to respond to the complaint from Alva DeJarnett-Miller, Esq., who recommended that I send this letter to your attention. MZM's response is currently due on August 22, 2005. By this letter, MZM hereby requests an additional 30 days to respond to the complaint, or until September 21, 2005.

MZM is seeking an extension for several reasons. On July 1, 2005, federal agents executed a search warrant at MZM's headquarters and seized a significant volume of documents and other materials. Since that time, MZM has received subpoenas from the U.S. Attorney's Office for the District of Columbia seeking additional documentation. In connection with these events, MZM's founder, President and CEO resigned and was replaced by new management.

MZM is a small company with limited resources. Since the execution of the search warrant, the company has focused those resources on diligently responding to law enforcement's inquiries and fully cooperating with the federal investigation. As a result, MZM has been unable to devote the time and attention needed to investigate the allegations in the third-party complaint referred by the FEC. In addition, as a result of the search warrant, it has been difficult for MZM to compile and analyze the documents related to the allegations in the complaint.

For these reasons, MZM respectfully requests an additional extension of time to respond to the third-party complaint referred by the FEC. Please contact me if you have any questions about this matter. Thank you for your consideration.

Brian M. Heberlig
